BLACK LOOPS

City: Berlin (DE)

Labels: Toy Tonics, Gruuv, Neovinyl

Biography:

BLACK LOOPS make hot electronic funk and great fresh house. Imagine the early days Dirtybird sound cooked up with a bit of Berlin Techno effectivity and a pinch of Italian "touch". Yes - there is some Italian 90ies house vibes in it. Because the Black Loops kids are from Italy: Riccardo Paffetti - a drummer and excellent DJ who lives in Berlin and Gabriele Micheli - a Milan based soundengineer and videoartist. Having already taken italy by storm, throwing the famous MILK partys in Tuscany where they have been djing with the likes of Audiojack, Eats everything, M.a.n.d.y., Brodinski, Smash TV, Danny Daze and many more...
