OUER

TECH RIDER LIVE

BACKLINE

1 x allen&heath xone:92 (for ouer use only!)

2 x high quality, high output side fill monitors controlled via booth from allen & heath mixer (stereo!!!)

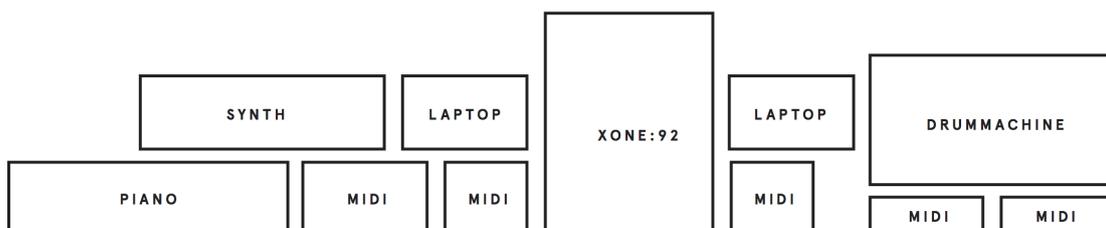

9 x grounded adapters to german plugs (schuko)

STAGE/RISER/TABLES

A secure and vibration free stage protected with crash barriers and security must be provided. We need a table of min. 3m x 1m for the equipment.

FOH SOUND

The pa system obviously depends on the venue size and layout, however a sufficient and well maintained pa should be supplied to give a good, clear, full-range (20hz - 18khz) reproduction to all audience areas.
